In addition to the fixed tuition and fees cost listed above, there are variable costs associated with a private education including uniforms, field trips, pictures, yearbook, tutoring, therapy, etc. (please ask regarding these charges).

IMPORTANT! Payment Procedures: Thank you to all of our families who have taken advantage of our monthly financing option with no additional fees or interest. There is no fee/interest payment for this program and will ensure that no late charges are applied to your account. A credit/debit card authorization form must be signed by parent or guardian.

***Please Remember - In order to receive any discount or incentive:**

- All accounts of the family must be current in order to receive any early enrollment discounts or incentives.
- In order to receive the incentives, all required paperwork must be completed and submitted - this includes a signed tuition agreement, signed enrollment agreement, registration packet, credit authorization form, and registration/materials fees.
- Scholarship Request will require additional information from parents or guardians at time of application.
